

**TERMS, CONDITIONS, AND RESTRICTIONS FOR THE PROVISION OF HOTEL SERVICES
FOR CORPORATE CLIENTS, GROUPS, AND EVENTS
HOTELES ESTELAR S.A.**

This document contains the terms, conditions, and restrictions by which Estelar Hotels S.A. (hereinafter referred to as the HOTEL) provides hotel services at its establishments to corporate clients, companies, or individuals with groups of ten (10) or more rooms, and/or for event clients (hereinafter referred to as the CUSTOMER), which are understood to be accepted by the CUSTOMER, as applicable, through the acceptance of the Quote or by signing the Hotel Services Agreement.

First. Hotel Services: The HOTEL obliges to make available the services described in the Quote to the CUSTOMER and/or authorized guests, subject to the following general conditions:

- **Accommodation:**

The number of rooms to be used daily by the CUSTOMER is described in the Quote. The HOTEL only reserves rooms when the CUSTOMER confirms their booking, either by making a deposit into the account according to the terms of this document or by providing a letter of guarantee in case of having previously approved credit with the HOTEL.

The *check-in* time is at 3:00 p.m. and the *check-out* time is at 1:00 p.m., except in the establishments except for Estelar Playa Manzanillo Hotel, Estelar Santamar Hotel & Convention Center, Estelar Cartagena de Indias Hotel & Convention Center, Estelar Villavicencio Hotel & Convention Center and Estelar Altamira Hotel, where check-out must be completed at 12:00 p.m.

An additional person will be charged per night, according to the applicable rate for each hotel.

Early check-in Policy:

If the CUSTOMER requires entry before the established time or early check-in, the following should be taken into account:

- Subject to availability.
- Entry before 6:00 a.m. is charged for the entire night, including breakfast if the rate for the following days includes it.
- Entry after 6:00 a.m. is charged half of the rate for the stay, including breakfast if the rate for the following days includes it.

Late Check-Out Policy:

If the CUSTOMER requires a *check-out* after the established time, or a *late check-out*, they must consult and obtain authorization from the reception staff. If they check out past the established time without prior authorization, they will be charged the rate corresponding to one additional night plus taxes.

Early Departure Policy:

If the CUSTOMER requires an early departure, they must make the request to the reception staff with a minimum of twenty-four (24) hours' notice before the new departure date or early departure. In the event of not submitting the request promptly, the cost of the unused night(s) of accommodation plus taxes will be charged in accordance with the initial reservation. The early departure policy does not apply during peak seasons. The early departure policy does not apply to groups, in which case the reduction policy should be followed.

Policy for Accommodation of Minors:

If you are traveling with a child under the age of eighteen (18), you must present the identification document of the minor (birth certificate, birth record, or equivalent document in your country of origin) that demonstrates the parent-

child relationship. If the minor is not traveling with their parents, you must also provide at the reception, in addition to the minor's identification document, the original authorization from the parents along with a copy of the identification document of those who provided the authorization. Without this documentation, the entry of minors into the hotel is not allowed. This is in accordance with the provisions of Law 679 of 2001, the Statute for the Prevention of the Sexual Exploitation of Children, Girls, and Adolescents, and its related regulations. The guest assumes the responsibility of supervising minors accompanying them throughout their stay in the hotel.

Guest List:

The CUSTOMER must provide the HOTEL with the list of guests at least fourteen (14) calendar days in advance of the group's check-in date at the HOTEL. The HOTEL will adhere to the list sent by the CUSTOMER and will inform the CUSTOMER if an unauthorized person attempts to check-in. If the CUSTOMER does not provide the list or provides it after the aforementioned deadline, the HOTEL is not responsible for the entry of any unauthorized individual by the CUSTOMER, nor for any expenses they may incur, all of which must be paid by the CUSTOMER.

- **A&B and others:**

The sale of food and beverages, as well as the provision of meeting rooms, waitstaff, audiovisual aids, and other services, is carried out by the HOTEL as described in the Quote.

- **Additional expenses:**

The consumption of food, beverages, minibar items, laundry, phone calls, and other additional services that are not included in the services described in the Quote will be billed directly by the HOTEL to each guest, who must pay for them either at the time of each consumption or at check-out. In the absence of payment, the additional expenses must be paid jointly by the corporate client, and the HOTEL will charge and invoice the CLIENT directly.

For complementary services contracted by the CLIENT with third parties other than the HOTEL, the CLIENT must ensure at all times that these third parties comply with labor obligations determined by current legislation and that they and their dependents are affiliated with the comprehensive social security system (EPS, AFP, ARL, etc.). The HOTEL reserves the right to admission for third parties who do not meet legal requirements.

Second. Validity of the Quote: The Quote sent by the HOTEL to the CLIENT will be valid for the duration described in that document. After the validity of the Quote has expired, the prices described will not be maintained. Non-shows do not exempt the CLIENT from paying the total value contracted for food, beverages, meeting rooms, waiters, and other services quoted based on the number of guests and/or event attendees.

Deadline for Penalty Payment:

For CLIENTS with credit accounts at the HOTEL, the penalties described in this document must be paid by the CLIENT within five (5) business days following the HOTEL's written request. The penalty will be calculated by the HOTEL in accordance with the guidelines outlined in this document regarding deposit policies.

Fourth. Executive Merit: The contract holds executive merit for judicially demanding the fulfillment of any of the obligations stipulated therein, with the parties expressly waiving the requirement for extrajudicial debt acknowledgment and any other of an extrajudicial nature.

Fifth. Guarantee and Room Blocking: Rooms will only be blocked by the HOTEL once the corresponding deposit or payment guarantee has been provided, based on the following:

- **Guarantee for bookings for legal entities with credit:**

Reservations from legal entities with credit require a deposit or a letter of guarantee stating the details of the reservation and their commitment to pay for the accommodation and expenses, within a maximum of 48 hours after making the reservation. If the letter of guarantee is not received within this period, the guest must make the payment at check-in.

In the case of an agency, the applicable guaranteed document can be the voucher.

Reservations from individuals and legal entities without extended payment facilities or credit must be guaranteed by a deposit within 24 hours of making the reservation. The Hotel may release the rooms if the guarantee is not provided.

Sixth. Hotel's Responsibility: The HOTEL's responsibility is subject to Colombian commercial laws. The HOTEL is only responsible for items received under a receipt by the CLIENT and guests for safekeeping. The HOTEL may refuse to accept custody of items of significant value or excessively bulky. The HOTEL is not responsible for the loss of any objects or valuable items left by guests in the rooms, as there are safes available to guests for storing money and other valuable objects. The HOTEL is not responsible for the loss of objects or valuable items left in meeting rooms or other facilities; it is the exclusive responsibility of the CLIENT to take necessary care measures and provide the appropriate warnings to guests and others for the custody and/or care of their belongings. Regarding the parking lot, the HOTEL's only responsibility is the custody of the vehicle along with its components, so valuable items should not be left inside vehicles. In the case of requesting custody of items other than the vehicle, the request must be made at the HOTEL reception.

Seventh. Responsibility for Damages: The HOTEL will charge guests for any material damages they may cause to its facilities at their replacement value as new. The charge will be made either at the time of the incident or at check-out. In any case, the CLIENT is jointly responsible for paying for the damages if the guest does not pay for them upon leaving the establishment.

Eighth. Force Majeure or Unforeseeable Circumstances: In the event of circumstances of force majeure or unforeseeable events, such as problems with public services, damage to the facilities caused by storms, earthquakes, riots, strikes, labor stoppages, or other unforeseeable and irresistible events that prevent the HOTEL from providing its services, the HOTEL will notify the CLIENT in order to agree on rescheduling the event/services, and, if not possible, will refund the CLIENT the amount of money equivalent to the value of the services not provided.

Ninth. Assignment of the Contract and Modifications: Neither the HOTEL nor the CLIENT may assign the contract in whole or in part unless there is written authorization from the other Party. Any modification and/or addition made to the Quote and/or the Hotel Services Contract must be in writing and signed by all Parties.

Tenth. Taxes: All taxes generated as a result of the conclusion and execution of this contract will be borne by the HOTEL or the CLIENT as required by law. If modifications or derogations are made between the acceptance of the Quote or the signing of the Hotel Services Contract that change tax obligations, the CLIENT must, in any case, pay the taxes legally applicable.

Eleventh. Conflict Resolution and Arbitration Clause: Any dispute arising between the Parties regarding the conclusion, existence, validity, effectiveness, enforceability, opposability, interpretation, execution, breach, termination, resolution, and/or liquidation of this contract that cannot be resolved directly shall be submitted to the decision of an Arbitration Tribunal of the Chamber of Commerce of Bogotá, which shall be subject to the provisions of Law 1563 of 2012 and other regulations that complement, regulate, or modify it, in accordance with the following rules: (i) If the dispute is of greater value, as defined by the National and International Arbitration Statute or any law that modifies, replaces, or supplements it, the Tribunal shall be composed of three (3) arbitrators appointed by mutual agreement of the Parties. Consequently, in all activities and/or operations of the Parties, as well as those that must be carried out under the Contract, the necessary measures shall be implemented to prevent minors from being exposed to sexual exploitation, and any behavior that may lead to or give rise to suspicion of CSEC-related activity shall be reported to the relevant authorities. Similarly, the Parties undertake to adopt the necessary measures to prevent their employees, dependents, or intermediaries from providing tourist guidance or sexual contact with minors.

Thirteenth. Confidentiality: The CLIENT obliges to maintain, and to ensure that its employees maintain, strict confidentiality with respect to any and all Confidential Information that comes to its knowledge as a result of the hiring and/or provision of services. In no case shall the CLIENT or its employees (i) display, disclose, publish, or reproduce Confidential Information in any manner. (ii) Use Confidential Information for their own or others' benefit. (iii) Mention or deliver Confidential Information to third parties. (iv) Use Confidential Information to establish relationships similar to those of this Contract with third parties. Anti-Money Laundering (AML) and Countering the Financing of Terrorism (CFT) Commitment: The CLIENT declares and guarantees that their funds do not and will not originate from, nor be mixed with the proceeds of any activity prohibited and sanctioned under local and international legal provisions. The CLIENT undertakes to implement measures to prevent their operations from being used, with or without their knowledge: (i) As instruments to acquire, safeguard, invest, transport, transform, store, preserve, safeguard, or manage assets that have their immediate or mediate origin in criminal activities, or to give them the appearance of legality; (ii) To promote, organize, support, maintain, finance, or economically sustain organized criminal groups, armed groups outside the law, their members, national or foreign terrorist groups, and/or national or foreign terrorists; (iii) To provide funds intended for the manufacture, acquisition, possession, deposit, transport, or export of weapons of mass destruction. In this regard, the CLIENT agrees that the HOTEL shall have the authority to unilaterally and immediately terminate the legal business arising from the signing of this contract in the event that the CLIENT, its shareholders, and/or administrators, any of them, become: (i) Linked by the competent authorities to any type of investigation for crimes such as drug trafficking, terrorism, kidnapping, money laundering, financing of terrorism, and financing of the proliferation of weapons of mass destruction; (ii) Included in lists for the control of money laundering, financing of terrorism, and/or financing of the proliferation of weapons of mass destruction administered by any national or foreign authority, such as the list of the Office of Foreign Assets Control (OFAC) issued by the United States Department of the Treasury, the list of the United Nations, and other similar public lists; and/or (iii) Convicted by competent authorities for the commission of the aforementioned crimes. Sixteenth. Anti-Corruption Commitment: The Parties declare that they are aware that, in accordance with local and international legal provisions on anti-corruption, it is prohibited to pay, promise, or authorize the direct or indirect payment of money or any other item of value to any public servant or government official, political party, candidate, or any other person acting on behalf of a public entity when such payment involves corrupt intent to obtain, retain, or direct business to any person for an unlawful advantage. Likewise, the Parties declare that they are aware of the existence of related regulations on bribery in the private sector, understood as the provision of money or gifts to any individual or legal entity of a private nature to obtain an undue advantage. The Parties guarantee that all their activities will be carried out within the legal framework, professionalism, and ethics, so they undertake not to pay or provide money, monetary economic advantage, or personal incentives of economic value to public officials or government employees, whether national or foreign, in order to: (i) Obtain an illicit benefit, (ii) Guarantee or secure business or sales to public entities or receive payment for debts generated by such sales, (iii) Influence any act or decision of a public servant or government official, political party, candidate, or any other person acting on behalf of a public entity, (iv) Induce a public servant or government official, political party, candidate, or any other person acting on behalf of a public entity to perform or refrain from performing any act in violation of their legal duties, (v) Guarantee any undue advantage, or (vi) Induce a public servant or government official, political party, candidate, or any other person acting on behalf of a public entity to use their influence with the government or its agency to affect or influence any act or decision in order to assist any of the Parties and obtain, retain, or direct business to any person. The Parties release each other from any liability arising from any breach by the other Party of the legal framework, professionalism, and ethics. Likewise, the Parties declare that they have no knowledge of any other person making direct or indirect payments, gifts, or entertainment expenses to obtain an illicit benefit as compensation, to any national or foreign government server or official, or to customers, administrators, or employees of the other Party, contrary to applicable laws, including but not limited to Law 1474 of 2011 and Law 1778 of 2016, as well as the U.S. Foreign Corrupt Practices Act, and, where applicable, the legislation enacted by member states and signatories implementing the OECD (Convention on Combating Bribery of Foreign Public Officials), and shall comply with all relevant laws and regulations relating to bribery and corruption. Nothing in this contract shall hold the Parties or any of their affiliates responsible for reimbursing each other for gifts as described herein. The Party that violates the provisions of this clause shall indemnify the other, without limitation, for any damage caused. Any violation of any of the obligations contained in this clause by one Party may be considered by the other as a breach, allowing the latter to terminate the corresponding Contract with immediate effect, without implying the payment of any penalty or indemnity, and without prejudice to any right or remedy that may be available against the defaulting Party and in favor of the other Party.

Seventeenth. Sole Agreement: The CLIENT accepts that any verbal or written agreement not included in the Quote and/or the Hotel Services Agreement has no legal validity and therefore does not have any legal effects between the Parties. The contract can only be modified by a written agreement between the Parties.

Eighteenth. Finalization: This document of Terms, Conditions, and Restrictions for the Provision of Hotel Services for Groups and Events is an integral part of the Quote and the Hotel Services Agreement, which are considered accepted by the CLIENT, as applicable, through the acceptance of the Quote or through the signing of the Hotel Services Agreement.
